Dear Sir/Madam,

PRACTICAL INDUSTRIAL TRAINING PROGRAMME FOR STUDENTS

Students of Takoradi Technical University pursuing Bachelor of Technology (B-Tech) are expected to undergo practical industrial training in industry as part of the requirements for the award of their certificate.

It is believed that the attachment programme would bring positive industrial exposure to students. This exercise would enable students to put theory into practice and acquaint themselves with current technological development in industry and commerce.

The University would, therefore, be grateful if you could consider the under-mentioned student to undertake his/her industrial attachment programme in your organization from **19th August, 2024 to Friday 11th October, 2024**.

The student's particulars are as follows:

REGISTRATION NUMBER: BC/ICT/22/079

NAME: DUAH ISRAEL

PROGRAMME: BACHELOR OF TECHNOLOGY IN INFORMATION TECHNOLOGY

CONTACT NUMBER: 0545555789/0557183153

We request that the student should be made to familiarize him/herself with all the related sections available in your organization.

For your information, all students at the University are covered by Group Personal Accident Insurance policy.

We count on your usual cooperation.

Yours faithfully,

Industrial Liaison Office
Takoradi Technical University
